

Donation Policies

Your generous contribution to Southwest Montana Mountain Bike Association supports year-round trail building, maintenance, and advocacy. As good stewards of your donations, we follow clear guidelines in processing your gifts.

Gift Policy Standards

All donations to Southwest Montana Mountain Bike Association (SWMMBA) support the SWMMBA mission to enhance access to trails and advocate for mountain bicyclists in Southwest Montana by engaging and educating community, and building and maintaining trails.

SWMMBA manages a number of fundraising initiatives with local partners to make every donated dollar go further. We will carefully consider the needs of the organization and will use your gift where we determine it is most needed, so that all donations may directly and indirectly support mountain biking in Southwest Montana. When processing each gift, we will follow documented Southwest Montana Mountain Bike Association Operations Manual, the Donor's Bill of Rights, and Generally Accepted Accounting Principles standards.

SWMMBA will not accept any restrictions on use of donations less than \$1,000; however, if you specifically request at the time of donation that funds be distributed to a specific project or aspect of SWMMBA we will honor such request so long as distribution does not conflict with other Southwest Montana Mountain Bike Association policies. If SWMMBA cannot honor a donor's designation request for a gift of \$1,000 or more, the gift will be returned to the donor. Third parties to a donation may not change the original designation of a gift. SWMMBA may refuse any gift that does not sufficiently benefit the organization, is in conflict with the Southwest Montana Mountain Bike Association Mission, puts the reputation of Southwest Montana Mountain Bike Association at risk or is prohibited by law.

Thank you for your support of Southwest Montana Mountain Bike Association.

Donation Refund Policy

For donations made using check or cash, if you have made an error in making your donation or change your mind about contributing to Southwest Montana Mountain Bike Association, refunds are available for 15 days after a donation is processed. For donations made using credit card or any third party system, fees may have been charged to enable the transaction which we may not be able to refund, learn whether partial refunds are available by getting in touch with the Southwest Montana Mountain Bike Association.

To request a refund, email development@southwestmontanamba.org. Refunds are returned using the original method of payment. If you did not make your donation using cash or check, refund may not be available immediately.
